VISION

Peace Club teaches the students how to maintain peace in the world and generate critical thinking. The platform provide students learn skills, exchange experiences, teach others and apply the knowledge of peace in their everyday life. It aims to provide a framework that promotes learning about peace and gaining skills to deal with difference in opinion. It provides an opportunity for students to turn their attitude towards peace.

OBJECTIVES

- **Promoting Peace and Harmony:** To sensitize individuals to the importance of peace and cultivate a culture of empathy, acceptance, and social harmony among diverse people.
- **Conflict Resolution:** To equip members with the skills and knowledge to resolve differences and conflicts peacefully and constructively.
- **Social Justice and Action:** To work for social justice, human rights, and advocate for vulnerable groups by engaging in community projects.
- **Awareness and Education:** To spread awareness about peace-building and social issues through discussions, seminars, exhibitions, and other educational activities.
- **Leadership Development:** To provide leadership opportunities through planning events, organizing projects, and leading activities, fostering teamwork and project management skills.
- **Self-Awareness and Transformation:** To encourage self-reflection and transformation within members, with the belief that individual transformation can lead to broader societal transformation.
- **Environmental Stewardship:** To raise awareness and promote action for environmental protection, as pollution and environmental degradation can also contribute to conflict and instability.
